Any minor child registered as a guest at Seaside Home must be accompanied by, and under the care of, a registered adult guest. The adult guest accepts all responsibility for the health, welfare, and behavior of the minor child guest. A Minor Child is defined as any guest under the age of eighteen at any time during their stay at Seaside Home.

Seaside Home understands that some minor child guests may not be accompanied by their parent or legal guardian. Any adult registered guest accepting responsibility for a minor child guest on their reservation is defined as a Temporary Caretaker. Examples of someone who may be a Temporary Caretaker are a grandparent, aunt or uncle, family friend, foster parent, or friend's parent. We welcome you to bring children.
